COLLIER WEBB

HANDCRAFTED IN ENGLAND

MESSENGER PALM

Our Messenger Palm Light features an organic column displaying lifelike and detailed palm tree texture. Inspired by historical designs from many cultures, our pattern makers started the process by carving an intricate wooden pattern.

Moulds were then made and from these, we now cast accurately rendered brass copies using the traditional lost wax method.

These are hand finished in any of our range of colours. We also make a matching floor lamp.
