

OWL

COLLIER WEBB  
HANDCRAFTED IN ENGLAND

# OWL

In Western cultures, the owl is associated with wisdom, so it is appropriate that our owl is modelled leeching on a book. In fact, this piece was originally designed to be used as bookend and can still be used for this purpose.

Every component of the Owl Table Light is produced in brass by the lost wax casting process, ensuring the detail and definition of the original pattern is retained.
