ARUM

A Neoclassical style table lamp handcrafted from solid brass, the Arum features all the fine detailing you would expect from this era.

The reeded stem is accompanied by acanthus leaf motifs to the base and neck of the lamp.

This extremely elegant and timeless lamp is an heirloom piece to be passed down to generations to come.

Pictured here in Antique Brass, the Arum is also available in any one of our other metal finishes.

Shown with a gathered shade in "Hedera Hay" by George Spencer Designs.
