US 3x B11 LED, 2700K, E12, 120V, 25W per bulb

Damp location specification available upon request.

OPTIONS

Metal finishes

Available in all Collier Webb's standard metal finishes.

Glass finishes

Clear Reeded, Clear Ripple, Blush and Moss.

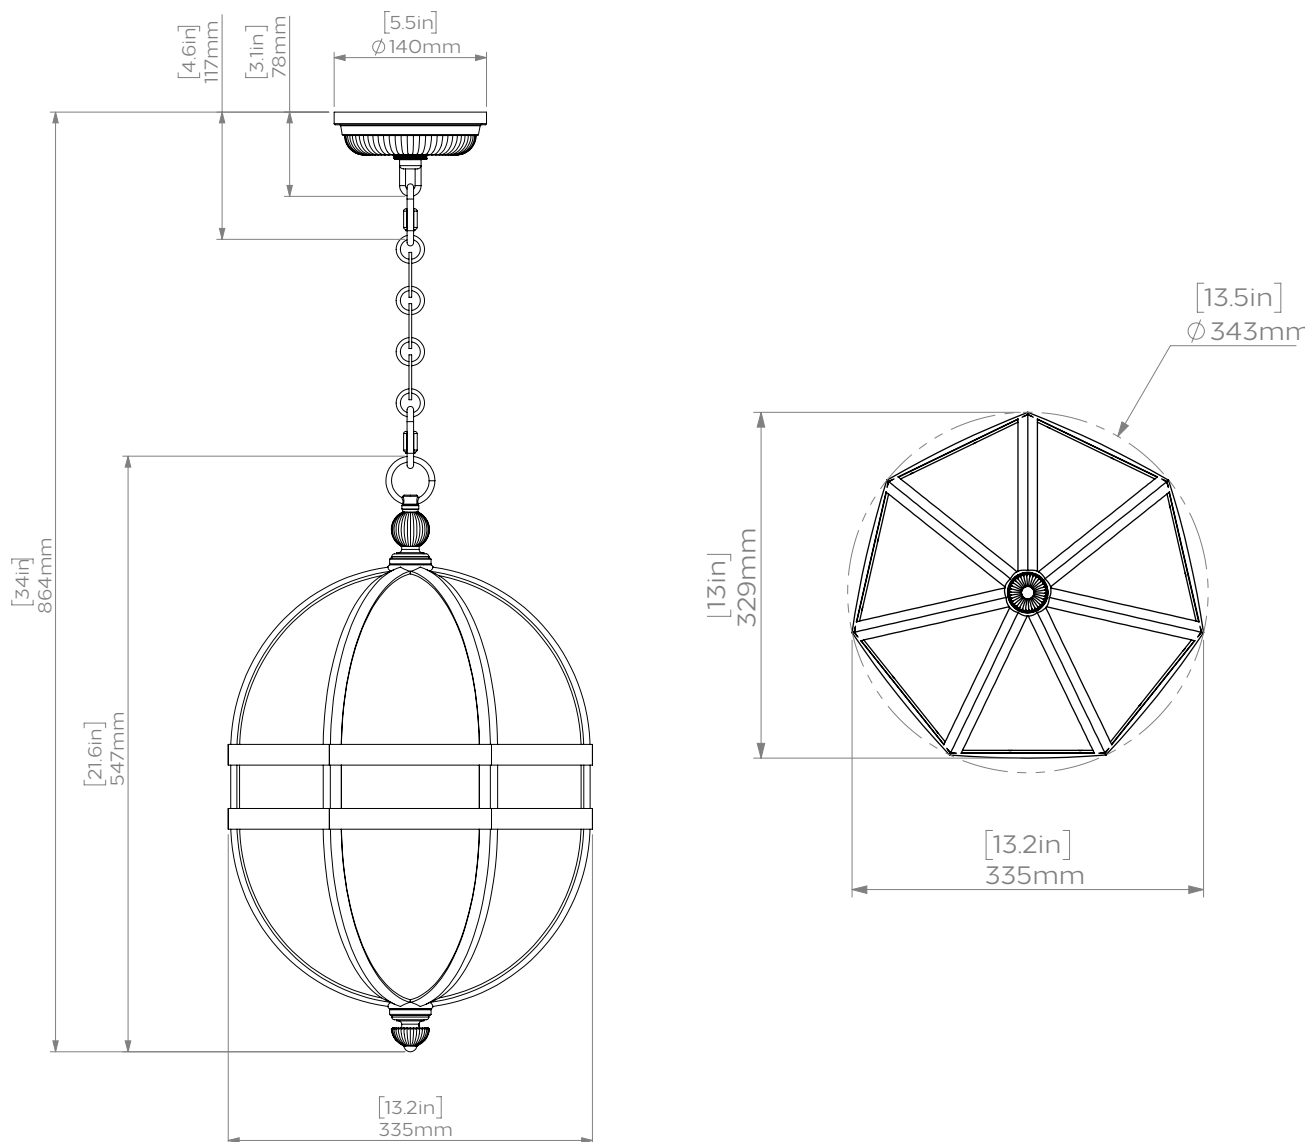

Choice of chain or reeded rod

Consult our sales team to customise the drop length to your project. If precise drop is required we recommend specifying the Reeded Rod. The chain specification will result in a +/- 50mm difference in drop due to the chain having to terminate on a chain ring and not chain oval.

CARE INSTRUCTIONS

Simply dust regularly with a clean soft cloth.

Care should be taken not to use abrasives of any kind.

Due to the hand-crafted nature of some products, stated dimensions may have a tolerance of $\pm 1/4"/6\text{mm}$.
If tighter tolerances are required for a specific installation, please state on your enquiry
